REQUEST FOR CERTIFICATE OF CORRECTION UNDER RULE 322

Sir:

It is respectfully requested that a Certificate of Correction be issued by the Patent and Trademark Office due to errors which appear in the printed patent as a result of Patent and Trademark Office mistakes. A Certificate of Correction form (Form PTO-1050), in duplicate, is enclosed.

With regard to the correction of the first and second inventor's names, although there were typographical errors in the typed names on the Combined Declaration and Power of Attorney filed October 24, 2003, the spelling in the actual signatures was accurate. Moreover, the Application Data Sheet included the correct spelling of those names and a corrected Official Filing Receipt was mailed March 30, 2004, with the correct spelling.

Although no fees are believed to be necessary, any fees deemed necessitated by this paper may be charged to Deposit Account No. 06-1205.

Patentees' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Mark A. Williamson", is written over a horizontal line.
